Beaver Lodge Vets Get Away to New Start in New Home

BEAVER LODGE, Jan. 21.—Beaver Lodge branch of the Canadian Legion got away to a new start on Saturday night when its new clubhouse here was officially opened.

Some time ago the Legion purchased the Bank of Commerce old building, which was moved to a new lot, and had it remodelled to suit the requirements of the club. The lot was donated by the railway company.

More furniture and other items will be added from time to time.

The club has in view the purchase of a piano and possibly the installing of a pool table at a later date.

In establishing their new home the Legion got splendid support, not only locally but from certain firms on the outside.

A good reading room with plenty of papers and periodicals and magazines is part of the service at this very comfortable clubhouse.

Many Pay Last Respects to Mrs. R. A. Macleod

All Places of Business Closed at Sexsmith During Funeral Services on Wednesday as a Mark of Respect to Deceased and Family.

The United Church at Sexsmith was filled to capacity, many having to stand, on Wednesday afternoon, when Mrs. R. A. Macleod, who died on January 18, was laid to rest in the cemetery.

The casket was covered with beautiful wreaths, with the last gathering, bare testimony to the very high esteem in which Mrs. Macleod was held in the town and district.

As a further mark of respect all places of business were closed during the funeral services.

Suitable music was rendered by the choir, among the selections being "Beautiful Isle of Somewhere," a favorite of the deceased.

Rev. W. T. Deive, who officiated, took for his text the fourth verse of the Twenty-third Psalm: "Yea, though I walk through the valley of the shadow of death, I will fear no evil; for thou art with me, thy rod and thy staff they comfort me."

Mr. Deive told how the shepherds protected their flocks when taking them down to the cool valley. In the same way Christians looked to Jesus to carry them through the valley of the shadow of death.

Life was described by the speaker as a mystery. This life, he said, was merely a testing ground for a future life.

Referring to Mrs. Macleod, Mr. Deive observed that she was pleased to be able to say that she had prepared herself and was now with her maker.

The following were the pallbearers, all old friends of the family: J. Macleod, James Walker, Art Fenton, J. L. Warren, Wm. Brown and J. Meen. Interment took place in the Emerson Trail cemetery.

Mrs. Frances Elsie Macleod, daughter of Dr. E. H. Deive, and wife of R. A. Macleod, was born in Hamilton, Ontario, in 1904 and came west, and lived in Macleod, Alberta, until her marriage in 1912. She and her husband then moved to Calgary, where they lived for two years, coming to the Peace River in 1914.

LARGEST RADIIUM DEPOSIT

South America Now Thought To Hold World's Greatest Quantity

Dr. Otto Vogt Von Sickingen, Haverford, Pa., bacteriologist, has discovered what he believes to be the largest radium deposit in the world along the Corantayn River in South America.

On his arrival in Boston he declined to disclose the exact location of the deposit until terms are agreed upon with the government in what territory it is situated. The Corantayn River borders Dutch and British Guiana.

Dr. Von Sickingen also said he had discovered a possible cure for the paralysis in a drug prepared by boiling the skin of a South American reptile.

ATHLETIC MEETING
The Scenic Heights Athletic Association held a meeting on Tuesday evening to discuss ways and means of maintaining the school grounds. Due to the irregularity of the ground surface, it was thought advisable to move the north end in about thirty feet for the balance of this season. The flow of the well has slowed considerably, thereby making the flooding a more difficult operation. The work of the committee has been to secure a balance of the season has been allotted to Richard Dool, Cameron White and Harold Edgar, who have no doubt that the boys have lost no time in getting started at their job. Cameron White has been in the first job he made of the hockey goal, especially as he donated all his work and lumber.

Victor and Mrs. Edgar are doing a community rink for the benefit of all.

WILL HOLD WHIST DRIVE AND DANCE

Thrilling Hockey Tourney Co-Feature of First Day Open Bonspiel at Beaver Lodge

BEAVER LODGE, Jan. 23.—A four-team hockey tournament between Beaver Lodge, Hythe, Wembley, Clairmont—four rival teams who have battled between each other during recent weeks in vain to break tied scores—will clash on Tuesday afternoon and evening here for handsome cash prizes on the many attractions billed for the opening of Beaver Lodge's first open Bonspiel.

Two matches will take place during the afternoon, the final contest between the winners of the afternoon's title to be played at 8 o'clock in the evening. Hockey fans from all parts have witnessed many bitter duels between these fast skaters, and attempts to break their deadlocked position, with a big prize in the offing, will bring hockey enthusiasts prepared to see really thrilling exhibitions.

BEAVER LODGE AND WEMBLEY HOCKEYISTS FAIL TO BREAK DEADLOCK IN MATCH MONDAY

The Wembley hockey team came to Beaver Lodge Monday, January 20, and engaged the local team in a hard-fought struggle which ended in a 5-5 draw.

Dunc Dunn had a big night, scoring four goals and assisting on the other. Alce Oseant was a close second, with one goal and two assists.

Ross Daney scored three for Wembley and Len Robertson was close behind with two counters.

The game was from start to finish and was featured by speedy end-to-end rushes, rugged back-

checking and enough frayed tempers to keep the crowd on their toes. At the end of the first period the score stood 2-1 for Wembley; at the end of the second it was tied 3-3; each team added one in the third and one in the ten-minute overtime period.

BEAVER LODGE TANGLE WITH HYTHE ON SATURDAY NETS TIE SCORE FOR PUCKSTERS

Another deadlock mocked the efforts of two of the most active teams on the west line last Saturday night when Hythe seniors tangled on home ice with Beaver Lodge, who accepted a last-minute invitation when Grande Prairie were unable to keep the date. Hythe's scoring was all done in the first ten minutes by Alan McEwen and Bill Oakford, who took advantage of the slow pace at which both teams were travelling. Referee Jim McQuarrie handed out penalties right and left, during a rough second stanza, accompanied by wild cheering from the crowd. Cunningham, defense man for Hythe, suffered the loss of two teeth in a checking encounter, and the period ended without additional score. The teams found their stance in the third period, although Beaver Lodge failed to tally while Hythe were hard pressed to keep them back with only two men on the ice for a while. A face-off gave Dunc Dunn a looked-for opportunity before the whistle and he shot true for the visitors' first goal, quickly followed by the tying shot, again unassisted, from Cameron Hume, but a few feet away from the former's net.

Neither team succeeded in scoring the winning point during the ten minute overtime.

Promises Big Time of Major Events; Town Plans Week Of Feature Entertainments

BEAVER LODGE, Jan. 23.—At the height of a season bubbling over with enthusiasm in curling circles comes the announcement of four big days of curling in the first open Bonspiel to be staged at Beaver Lodge, commencing Tuesday, January 28, and lasting until the last end has been decided on Friday night, January 31.

A week of gay holiday festivities has been arranged for curlers and visitors alike, business men and citizens in general, having thoughtfully planned the four-day program to take in every interest and further are offering many handsome prizes to curlers reaching the jewelry stages of the various competitions.

Four competitions will be played—Grand Challenge, Peace River Merchants, and Curling Club. A Grand Aggregate prize of one dozen photographs is being offered by Mr. R. E. Leake, of the Beaver Lodge Studio. There will be two open and two closed events.

The Beaver Lodge Club intend to play all members or any outsiders in district who may wish to curl thereby providing an opportunity to experience and novice curlers, regardless of their ability, to get a chance at the jewelry. Under this arrangement, it is expected that visiting rinks will not hesitate to send in their entry.

Following the opening of the first day, Tuesday, will be the four-team hockey tournament between Beaver Lodge, Hythe, Wembley and Clairmont puck chasers—four teams who have held their own during the past few weeks in inter-matches which have mostly resulted in tied scores.

Large cash prizes are offered for winners and runners-up in the final game at 8 o'clock Tuesday evening. The preliminary matches will take place during the afternoon.

Following the curling and hockey events of the evening a dance will be held in the town hall, sponsored by the hockey boys, the proceeds of which will go towards the Beaver Lodge Rinks Association.

A banquet will be tendered by the Beaver Lodge Curling Club at 8 o'clock on Thursday evening in the New Beaver Lodge Hotel to all visiting curlers.

Altogether, the week's entertainment promises something of special appeal to everyone, among features not regularly offered to curlers and visitors at so little cost being first class accommodations in the New Beaver Lodge Hotel, operated by J. B. Goyne.

know what that means? Comrade

"We have started a precedent in this large district," said Comrade Walker, supervisor of the R. S. R. "something that will be put over—and put over big. We have worked untiringly till we have the only actual club that has so many inducements to offer to its membership. In this territory, we have a fraternity that is better than any other a fraternity that will exist."

Through this measure they had now put Beaver Lodge on the map with desirable and comfortable quarters as a meeting place for both the townsman or the man who drives his team into town, leaves it at the heavy barn, and brings his wife with him to the club, where they can get warm and enjoy a few leisurely moments in reading, Mr. Walker concluded.

Officers Chosen at Annual Meeting of United Church S.S.

BEAVER LODGE, Jan. 22.—The annual meeting of Benton United Church Sunday School here was held at the Masons on Tuesday afternoon of this week. Rev. Geo. A. Shields was in the chair.

After adopting the reports, the meeting elected the following as the officers and teachers for 1936:

Superintendent—Mrs. D. Hume.
Sexton—Mrs. C. Little.
Secretary—Miss K. Little.
Treasurer—Mrs. S. Andrews.
Organist—Miss G. Carroll.
Assistant Organist—Miss Alona Proud.
Bible Lesson—Miss M. McDonald.

The society appointed were: Mrs. W. Adams, Mrs. S. Andrews, Mrs. D. Hume, Miss G. Carroll, Miss Margaret McDonald, and Mr. P. Pool.

The Sunday school had a very successful year and it is hoped by officers and teachers that 1936 will be even a better year of service for the Master.

RALPH F. CARRELL ELECTED SCHOOL TRUSTEE AT BEAVER LODGE RATEPAYERS' MEETING

Ratepayers of the Beaver Lodge school district held their annual meeting in Beaver Lodge school last Saturday afternoon and elected R. F. Carrell trustee for the 1936 term. A. B. Elliott is the retiring trustee.

The annual High School meeting will be held on Saturday, February 1, in the town school.

Exports of Canadian apples to the British Isles this season up to January 3, 1936, totaled 1,065,456 barrels and 1,516,948 boxes, compared with 731,757 barrels and 1,582,083 boxes in the corresponding period of last season. The increase this season being 46 per cent on barrels and 31 per cent on boxes.

EUROPEAN SITUATION FAVORS CANADA

Speaking of the currency situation in Europe, the Journal of the Canadian Bankers' Association says: "The process of deflation, to which the gold bloc countries are committed has not yet been completed, and unless deflation takes place (and it will by no means impossible that it will take place shortly) the insurmountable barriers thrown up in the channels of international trade are unlikely to be pulled down. Canada has a great deal to gain in the devaluation and stabilization of European currencies for without them liberation of trade is politically impossible."

U. S. BANK CHARGES

In Chicago, savings bank interest is 1 1/2 per cent and a current account deposits with less than \$100 in his account pays \$1.25 monthly, which permits the issuance of 10 cheques. Many banks in the U. S. will now refuse an account unless they are assured that it will really be a savings account and not merely a deposit for safekeeping until better times return. No cheques against savings accounts is allowed in U. S. banks. Throughout

the Union the scale of exchange and service charges is much higher than in Canada, and many clearing houses have adopted service charges not only for cashing cheques, but on cheques which are deposited. It is reported in the January issue of the Journal of the Canadian Bankers' Association.

SNOW TRAPS GOLDEN EAGLE

Unable to Rise From Ground After Diving For Rabbit

A giant golden eagle was killed near Priddis, Alta., when it was unable to take off in soft snow after diving for a rabbit. Clayton Tompkins of Calgary shot the bird as it thrashed around in the drifts. The eagle had a wing spread of seven feet two inches.

In preparation for a take-off the eagle must spring into the air sufficiently for the wings to clear the ground. The deep, soft snow prevented the preliminary jump and each successive effort served only to heighten the bird's predicament.

The departure of the Lindberghs to England caused a sensation in the United States, and now the news that Dr. John "Japsie" Condon had also left the country brought the Lindbergh kidnapping back on to the front pages of the daily press. Here we see Dr. Condon in two poses: answering the prosecutor when Bruno Hauptmann was on trial and listening to the court proceedings when the court pronounced Hauptmann guilty of the alleged kidnapping.
